Re: United States v. Andrew Cook,  
17-cr-147 (PKC)

Dear Judge Castel:

I represent Andrew Cook in the above-captioned matter. Mr. Cook pleaded guilty before this Court to Count 1 on the Superseding Information, which charged him with conspiracy to introduce into interstate commerce a drug that was misbranded. His sentencing is scheduled for April 27, 2018.

I write with the consent of the Government to request an adjournment of Mr. Cook's sentencing date. I have retained the services of a forensic psychiatrist, Dr. Alexander Sasha Bardey, who will evaluate Mr. Cook, obtain Mr. Cook's extensive past medical records, and provide the Court with his analysis of Mr. Cook's mental health and/or substance abuse history. It will take Dr. Bardey several weeks to obtain the records and write his report. Dr. Bardey's report will also be relevant to the Department of Probation's considerations in drafting the Pre-Sentence Report and making a sentencing recommendation.

For these reasons, I respectfully request that Mr. Cook's sentencing date be adjourned to any date between June 19, 2018 and June 28, 2018. The Government consents to this request.

Thank you for the Court's consideration of this request.

Very truly yours,

/s/

Aaron Mysliwicz  
Attorney for Andrew Cook
